

Sarasota Memorial Hospital – Venice

Sarasota Memorial is bringing its five-star, affordable care closer to South County residents with a new state-of-the-art hospital planned for its 65-acre campus on Laurel and Pinebrook roads, conveniently located just off Interstate 75 in Venice.

Construction of Sarasota Memorial Hospital – Venice is anticipated to start in mid-2019, with the new campus expected to open in the Fall of 2021.

Opening the new hospital in Venice will enhance care to the region and have a significant economic impact, creating and sustaining jobs and livelihoods for hundreds of people and area businesses.

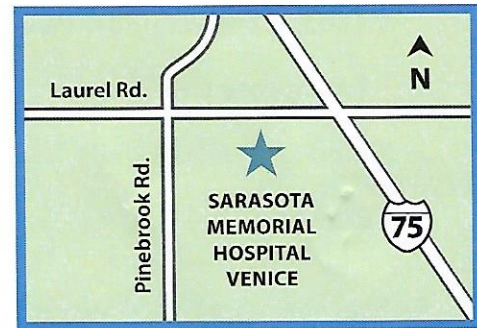

The new campus also will bring Sarasota Memorial’s extensive physician base further south and help build the medical staff for a future hospital in North Port.

Flexible Campus Can Grow with the Community

Sarasota Memorial Hospital - Venice, which will be designed to allow for substantial future expansion, will initially include a 350,000-square-foot hospital featuring:

- ▶ 90 private suites for acute-care patients
- ▶ 20 private suites for patients under observation
- ▶ 28-bed Emergency Care Center
- ▶ Surgical suites, including two Operating Rooms dedicated to obstetrics
- ▶ The new hospital will have the capacity to expand to 270 private patient suites, and the Emergency Care Center can double in size

Preliminary Site Plan: Sarasota Memorial Hospital - Venice

State-of-the-Art, Patient-Centered Care

Sarasota Memorial Hospital – Venice will offer a wide range of medical, surgical and health care programs, including but not limited to:

- ▶ Cardiology
- ▶ Orthopedics
- ▶ Oncology
- ▶ Neurology
- ▶ Neurosurgery
- ▶ Pulmonology
- ▶ Labor & Delivery/Post-Partum Unit
- ▶ Emergency Care Center
- ▶ Medical-Surgical Units
- ▶ Intensive Care Unit
- ▶ Surgery
- ▶ Cardiac Catheterization Lab
- ▶ Endoscopy & other procedural areas
- ▶ Urology
- ▶ Infusion
- ▶ Laboratory
- ▶ Imaging Services
- ▶ Pharmacy
- ▶ Patient Gym
- ▶ Community Specialty Clinic

Easy access to needed services:

- ▶ Sarasota Memorial Hospital - Venice also will include a medical office building with physician practices and outpatient services to offer one-stop health care for patients.
- ▶ A parking garage connected by a pedestrian bridge to the hospital as well as ample surface parking will provide patients with convenient access to care.
- ▶ The new facilities will have a seamless connection to the expertise and support of the entire Sarasota Memorial Health Care System via integrated information technology.
- ▶ Preliminary plans for the new campus include a hurricane shelter (pending approval and funding from the City of Venice and Sarasota County).
